Reid, Chairman, President and Chief Executive Officer of KMA Global Solutions International, Inc.

About KMA Global Solutions International, Inc.

KMA Global Solutions International, Inc. (www.kmaglobalsolutions.com) is a leading worldwide manufacturer and supplier of Electronic Article Surveillance (EAS) labels for the multimedia, retail apparel, health/beauty aids, soft goods, and over-the-counter pharmaceutical industries. KMA provides low cost solutions for retail protection against inventory theft, offering customized labels that use a variety of patented formats to meet unique packaging needs. KMA's patent pending DUAL Tag(tm) is the only product available that combines the two leading EAS technologies in a single, high speed application to eliminate the need for multiple inventories and its patented NEXTag(tm) is the solution of choice for soft goods as a small, flexible non-woven label conveniently sewn into a garment at its manufacturing source.

At KMA, our Business Mission is to constantly reinforce our industry leadership as a preferred competitive supplier in the timely delivery of superior, cost effective, source tagging products - all the time, everytime.
