

## **KMA Global Solutions International Plans Move to OTC Bulletin Board**

**Mississauga, Ontario – October 9, 2006 - KMA GLOBAL SOLUTIONS INTERNATIONAL, INC. (OTC: KMAG)**, today announced the acceptance of the Company's Form 10SB12G/A, filed on August 25, 2006, with no further comment from the US Securities & Exchange Commission (SEC).

With this approval, the Company is positioned to proceed with plans to transition from quotation on the Pink Sheets to the Over the Counter Bulletin Board. In connection with this transition, KMA Global Solutions International will source a market maker registered with the SEC to apply for quotation of the Company's common stock on the OTC Bulletin Board, subject to the filing of information with and approval by the NASD in connection with SEC Rule 15c2-11 and NASD Rule 6740.

Jeffrey D. Reid, Chief Executive Officer of KMA Global Solutions International, Inc., commented, "Moving to the OTC Bulletin Board Exchange and increasing the visibility and liquidity of KMA in the financial markets is an important step toward enhancing shareholder value and achieving our strategic objectives. KMA Global Solutions International has had a successful year to date and we are very excited to have reached this milestone."

### **About KMA Global Solutions International, Inc.**

KMA Global Solutions International, Inc. ([www.kmaglobalsolutions.com](http://www.kmaglobalsolutions.com)) is a leading worldwide manufacturer and supplier of Electronic Article Surveillance (EAS) labels for the multimedia, retail apparel, health/beauty aids, soft goods, and over-the-counter pharmaceutical industries. KMA provides low cost solutions for retail protection against inventory theft, offering customized labels that use a variety of patented formats to meet unique packaging needs. KMA's patent pending DUAL Tag(tm) is the only product available that combines the two leading EAS technologies in a single, high speed application to eliminate the need for multiple inventories and its patented NEXTag(tm) is the solution of choice for soft goods as a small, flexible non-woven label conveniently sewn into a garment at its manufacturing source.

At KMA, our Business Mission is to constantly reinforce our industry leadership as a preferred competitive supplier in the timely delivery of superior, cost effective, source tagging products - all the time, everytime.
